HAZARDOUS WASTE PROGRAM MISSOURI DEPARTMENT OF NATURAL RESOURCES

Dear Mr. Van Landuyt:

On August 17, 1998, a hazardous waste compliance evaluation inspection was conducted at the Wilcorp Industries, Inc. facility located in Marshfield, Missouri. Wilcorp has registered with the department as a large quantity generator of hazardous wastes. The inspection was conducted to determine the facility's compliance with the Missouri Hazardous Waste Management Law and Regulations under the authority of Sections 260.375 and 260.377(9) RSMo.

Enclosed is a copy of the Inspection Record and Checklist generated by that inspection. The checklist is believed to be self-explanatory. No violations were noted during the inspection.

Should you have any questions regarding this letter, please advise.

Sincerely,

SOUTHWEST REGIONAL OFFICE

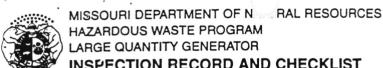

Mark Rader
